## LETTER OF RECOMMENDATION

RE: Dr. Clifford R. Kettemborough

Dr. Kettemborough was employed at Pacific Western University as an Adjunct Professor in Computer Science and Technology. He also developed web sites and performed the additional development of software programs when required for the University.

In addition, he is a graduate/Alumni member of Pacific Western University having completed the Doctor of Philosophy degree program with a major in Computer and Information Systems in 1988. He completed all his academic assignments in a timely manner with academic excellence.

Without reservations I highly recommend Clifford Kettemborough to any teaching or technical position commensurate with his outstanding academic achievements and work related skills.

For any further information required as to Clifford's abilities please contact me at:
